Dear Parents / Guardians,

PRIMARY 4 SEMESTRAL ASSESSMENT 1

Please find attached the schedule and details of the weighted assessments for Term 2. The scores from the Term 2 assessments will form 30% of your child's/ward's overall results in the subject for the year. You are encouraged to provide support for your child/ward as he/she prepares for the assessments.

We would like to inform you of the following:

- (a) Any student who is absent from the assessment must produce a medical certificate from a certified medical practitioner. A letter of excuse would not be accepted. Students who are **absent without a valid medical certificate would not be awarded any marks** for the paper(s) which they have missed.
- (b) There would be no make-up assessments for all absentees.
- (c) Students who are late for any assessment would not be accorded any extra time.

Should you have any queries, please do not hesitate to approach your child/ward's Form Teachers. We look forward to working in partnership with you in your child's education.

Yours faithfully,

Mr Seet Chia Song
