28 June 2022

Dear Parents / Guardians,

PRIMARY 6 PRELIMINARY EXAMINATIONS

Please find appended below the schedule and details of the assessments for Term 3. You are encouraged to provide support for your child/ward as he/she prepares for the assessments.

We would like to share with you that guidelines for the conduct of the school's oral examinations would be aligned to that of the PSLE oral examinations. Therefore, oral examiners and candidates would be allowed to remove their face masks at the oral exam (for reading aloud/oral presentation and oral interaction) with mitigation measures in place. This will enable the teachers to better assess the oral language competence of students. Face masks would be put on at other times, including silent preparation.

We would like to inform you of the following:

- (a) Any student who is absent from the assessment must produce a medical certificate from a certified medical practitioner. A letter of excuse would not be accepted. Students who are **absent without a valid medical certificate would not be awarded any marks** for the paper(s) which they have missed.
- (b) There would be no make-up assessments for all absentees.
- (c) Students who are late for any assessment would not be accorded any extra time.

Should you have any queries, please do not hesitate to approach your child/ward's Form Teachers. We look forward to working in partnership with you in your child's education.

Yours faithfully,

Mr Seet Chia Song
HOD/ Mother Tongue Languages

cc Mr Enoch Lau
Principal
