- Rice = 2 packets
- Biscuits = 169 packets
- Tin biscuits = 28 tins
- Milo packets = 20 packets
- Milo drink = 4 packets
- Milo tin = 2 tins
- Quick Cook Oatmeal = 24 packets
- Coffee = 12 packets
- Can food = 18 cans

2 The Grassroots volunteers of Bishan East- Thomson Division were pleasantly surprise with the efforts of your office for going the extra mile to ensure the smooth flow of the collection.

3 We thank all staff, pupils and parents for their kind contribution for this meaningful programme and would extend special appreciation to Mr Lau Cheng Nam and the school teacher in charge for the strong support which drives the programme to such great success. For your information, the food supplies will be distributed to under the privilege families in Jan 2019 as they prepare for the festive celebrations.

Thank you.

Yours Sincerely,
