

Dear Mr Muhammad,

I will like to take this opportunity to thank you and all the staff and students involved in GYPS 2017 Open House.

It is the most splendid one thus far!

We truly enjoyed the tour by your prefect and performances on stage and also from the Angklung and Hand Bell ensemble.

Ms Eliza, also guided us, in the "GYPS Racial Harmony Dance" in the Dance Studio at the Upper Level.

Our children enjoyed the game where they need to get the registration brochure stamped at specific booths, before receiving a wonderful hamper.

We also feasted at the school canteen! The children and families enjoyed their meals very much! The fruit stall aunty even created something special for the day e.g. marshmallows, Hershey and fresh squeeze orange juice!

We will like to wish GYPS a wonderful 100 years in 2018, ahead!

We are hearten to also meet and speak with our ex-children from My First Skool at Blk 245 Bishan, blossom in leadership roles in GYPS!

We look forward to maintain and strengthen our collaborations, as the year precedes.

All the best to you and GYPS!!!

Warmest regards,

Miss Rabeah Binte Mohter
